### Summer term Reminders

As you can see there are lots of activities happening in school over the coming weeks. It is really important that your child is in school so that they don't miss out.

Many of the classes will be spending time outside whether that is on the playground, the field, forest school or in the garden so can you please ensure that your child has a sensible hat and that suncream has been applied by you in the morning.

During the warmer weather it is important that all children bring a water bottle to school each day. These are kept in the children's classrooms and **must only contain water.**

Last half term our year 6 pupils took their end of Key Stage 2 SATs. Their effort, attitude and behaviour were outstanding throughout, with them all trying their very best.

**Well done year 6; we are super proud of you.**
