

Nursery Summer Term 2 2026 Newsletter

Dear Parents and Carers,

Well done to everyone who is hearing their child read at home for a few minutes most days and practising their sounds and numbers. Little and often is the secret and it really is making a difference! Thank you for your support. Please remember to date and sign in the reading diary every time you read, so we can reward children for super reading at home!

TIME KEEPING AND ATTENDANCE

The school day starts at 8.45am and finishes at 3.15pm
Please be on time dropping off and collecting your child. It is important that your child attends **every day** to get the most out of their learning. If your child is ill or unable to attend, please phone the office or let a member of staff know.

Our books this half term are:

I WONDER WHAT GROWS HERE?

During this half term we will be focussing on our new topic - '**I wonder what grows here**'. We will be learning about our senses and how we use them to explore and find out things.

We will be looking at the lifecycles of a bean and a butterfly. We will also be talking about how they have changed from a baby into a child and thinking about what they can do now that they couldn't do when they were a baby.

We are still growing our potatoes and looking forward to eating them this term on Potato Day. We are also going to be spending some time in our garden to see what else is growing. If you have any plants or bulbs, you no longer need, we'd love to add them to our garden are. Thank you 😊

Reading Mornings

Please come and join us for fun

every Monday 8:45-9:00

We look forward to seeing you there!

School Website

Please visit
