Ancient Egyptians

Year 3

Autumn 1

Five Fabulous facts about the Ancient Egyptians

I know that an Ancient Civilisation is a group of people that shared a language, culture and way of life a very long time ago

I Know that the River Nile floods each year, creating fertile land for farming and that the Ancient Egyptians lived near the Nile as they could grow food and trade with other countries.

I know that the Ancient Egyptians worshipped over 2000 gods and goddesses and believed in the afterlife

I Know that Tutankhamun became Pharoah at 9 when his father died
And an archaeologist called Howard Carter discovered Tutankhamun's tomb

I know that the Ancient Egyptians left pictures, writing called Hieroglyphics and statues behind.
