Attendance

A quick reminder that our attendance target for every child is 95%. You may get a letter if your child's attendance slips below this.

Please make sure that you phone school to let us know if your child is poorly and not well enough to come to school.

Sickness & Diarrhoea Bugs!

As you may be aware we have recently had a few cases of diarrhoea and sickness around school. We are trying our best to keep this under control.

Please may we also ask that if your child has either of the above illnesses that they stay off school for 48 hours from the last episode. This is within the guidelines set by the Health Protection Agency.

If you are unsure as to how long to keep your child off during any illness, please call the school office and we will be happy to supply you any information you may require.

A REMINDER

Please could we remind all parents to send any money, either for dinner or trips, into school in a sealed envelope with your child's name, class number and what the money is for clearly written on the front.

PLEASE NOTE THAT, UNFORTUNATELY, WE ARE UNABLE TO GIVE CHANGE.

As ever, we are always here to help. If there's anything you would like to discuss, please feel free to come in to school and talk to your child's teacher or any senior member of staff.
