5th September 2023

Dear Parents

Welcome back to another exciting year at Greenfields! I hope that you all had a fantastic Summer and are ready for everything coming up at Greenfields over the next few months.

It was lovely seeing everybody again yesterday. A particularly warm welcome too to all of our new children and families who have just joined us at Greenfields. It's great having you with us!

The children all come back into school amazingly well yesterday – we are having a real focus on getting the basics sorted early on in the school year and they have made a great start! To support us with this, please ensure your child is on time each day, wearing the correct uniform and has anything they need for school with them – PE kit for example. As ever, if there is anything you're unsure about, please don't hesitate to come in and see us in school. You can speak to a member of your child's teaching team or someone in the main office – we are all here to help. Senior school leaders are also out and about every day.

RAAC concrete

I am sure that you will have seen in the news over the last few days that some schools across the country have not been able to open or open fully this week due to their school buildings containing a specific building material – RAAC concrete.

I would like to reassure you that our site doesn't have any of this material. Nottingham City Council has checked all of their schools to ensure they are fully safe and I can assure you that the children are 100% safe coming to school.

Hotter weather

After a rather cool and damp few weeks over the summer, we have returned to school with much hotter weather! Please ensure that your child has sun cream on before they come to school, that they have appropriate clothing, a water bottle and sun hat. We have spoken to all of the children in school today about this as well.

We will be sending out this month's newsletter very soon so please make sure you read it to keep up to speed with everything that will be happening over the next few weeks.

Best wishes

Terry Smith
Headteacher
